

**TITLE: 2 x Latrines &
20,000L Water Tank**

PROJECT: Mutai (III)

**END DATE: October
2014**

**LOCATION: Mutai
Secondary School**

PROJECT OVERVIEW:

In partnership with the Jinja Educational Trust, HYT has built a new set of latrines for Mutai secondary school. The addition of new latrines will bring greater hygiene and cleanliness to the school itself and its pupils. Furthermore, the girls latrine has a wash-room attached to it. Considering that some pupils board at the school, this is going to further improve hygiene, both for the boarders and the day students. HYT has also built a 20,000L Water tank at Mutai.

FEEDBACK / COMMENTS:

'The new latrines are fantastic!' Emma,
Headmaster, Mutai Secondary school

TOTAL COST: \$15,978

FUNDING: Jinja Educational Trust

JOB TYPE: Construction

Project Number: 080
