

TITLE: Kitchen Storage Room & Stove

END DATE: December 2014

PROJECT: Mamma Jane's

LOCATION: Jinja Town

PROJECT OVERVIEW:

Mama Jane's nursery, primary school and orphanage has to cook 3 meals a day for 100 children. Their kitchen, as it is located in the courtyard, was too smoky which made the job very difficult. HYT removed the old kitchen structure, constructed a new building with a steeper roof. The project was completely with the installation of a energy-efficient stove along with a new chimney.

FEEDBACK / COMMENTS:

" I am very pleased with the new stove, chimney and storage room as it helps us cook much faster and it is less smoky"

Agnes, Headmistress

TOTAL COST: \$9,907

FUNDING: Jinja Educational Trust

JOB TYPE: Construction

Project Number: 081
