

**TITLE: Kitchen Finishing & Stove Installation**

**PROJECT: St Patrick's**

**END DATE: January 2015**

**LOCATION: Nyenga**

**PROJECT OVERVIEW:**

HYT plastered and installed windows and doors in a pre-built kitchen to bring the building up to the high standard that we expect. Also, by installing an energy-sufficient stove we improved the cooking experience and reduced the firewood costs for the school. With the saved money, the school hopes to employ more teachers.

**FEEDBACK / COMMENTS:**

*"Looking forward to HYT finishing the project. The children are very excited about it" Florence, parent*

**TOTAL COST: \$5,953**

**FUNDING: Jinja Educational Trust**

**JOB TYPE: Construction**
