

**TITLE: Drainage**

**Installation**

**PROJECT: Mutai  
Drainage**

**END DATE: January  
2015**

**LOCATION: Mutai  
Secondary School**

### **PROJECT OVERVIEW:**

Having completed several other projects at Mutai Secondary Sschool, HYT returned to the school to install improved drainage. This was needed considering rainy season is right on our doorstep. The work ensured drainage would function properly, thus keeping the buildings better protected from the damaging effects of moisture.

### **FEEDBACK / COMMENTS:**

*'I think it's great how HYT repaired the drainage so that our buildings last as long as possible' Emma, parent*

**TOTAL COST: \$4,201**
