

Staff Quarters

Bugonda Butaaga Primary School (1V9)

April - July 2016

Project Overview:

The staff quarters at Bugonda borrowed ideas from those at St. Mulumba, with a few differences. The trainees were able to practice a varied set of building techniques as they worked on verandas, alcoves and washrooms, all included in the main building. This structure maintains style while saving shillings for further developments at the school.

Feedback:

“Bugonda has changed because of HYT. Long live HYT, keep on with the same!”

- Mr Balidawa, Chairman, PTA, Bugonda Butaaga Primary School

Total Cost: \$10,918

(UGX 37,000,000)

Project Number: 099
