

Wandago - Child friendly space and 10,000 L water tank

Children on the Edge

Aug 2015 - 18th Dec 2015

Project Overview:

Wandago is an area on the edge of Kakira sugar cane plantation. Lots of the inhabitants here make their living illegally brewing alcohol from the sugar cane molasses and are often alcoholics themselves.

This, all too often, leaves children in a vulnerable position. The facility has been built in the hop of providing them with somewhere safe to play and be fed and taught.

Total Cost: \$12,601

Funded by: Children on the Edge

Project Number: 092
